Woven Yarn-Dyed Plaids in 100% Jute!

In 2013, we brought out a Red/Green Holiday Plaid in 60" 100% Jute. This was an instant hit with our customers! In fact, we sold out of this pattern. This year, we will be again offering the Holiday Plaid, plenty of

stock this time! We also are adding 6 new colorways for year around selling. Smart and stylish combos. Included is a colorway that will work well for the Harvest season.
