New! Crossroads "Bundles"

One of our premier fabrics is Crossroads Denim by Amy Barickman. It is a 10 oz. piece-dyed & pre-shrunk Sanded Twill in 18 fashion shades. Amy has come up with another great idea-provide this in 18"x60" pre-cuts! She has put together an exciting line consisting of the 4 seasons, each bundle containing 5 shades each in spring, summer, fall and winter colors! Folded and sold as a bundle, this is sure to be a hit with all our retail fabric stores and Distributors. Amy has created plenty of patterns using Crossroads in crafts, home décor and apparel. Please see P.2 of this Newsletter for more details on this new product.

Welcome to Niveen!

Niveen Wadi is the newest member of our Thompson Sales & Marketing staff. She has an extensive background in sales, working in the Publishing and Fragrance industries. As soon as she is finished her training, Niveen will be working with fabric accounts. She is a real New Yorker, born, raised and currently living in Brooklyn. Niveen is married and has a son. In her spare time, she loves to work out and read. She is also a real "cat" person! We are happy to have Niveen on our sales team!

NEW! #8(18 Oz.) CANVAS!

60" 100% Cotton Number Duck-our heaviest weight-truly an Industrial tough Duck Cloth. Now in stock in Natural, White and Black. Special dye lots can be done in 500 yd. minimums.

Goodbye to Gail and Marc!

Gail Boyle, who has been with Thompson for 40 years, has announced she is retiring on 12-31. Gail filled many positions here at JT, including Fabric sales and Merchandise Manager for Thompson Packaging Novelties! She was truly a dedicated worker, and will be missed. Gail said that she "couldn't have had a better career than working with all the great customers and fellow employees". She plans on spending time with her family, travelling and continuing her volunteer time at the North Shore Animal League. As announced in the last Newsletter, I will also be retiring on 12-31. It has been a real pleasure doubling as "Newsletter Editor" for 14 years!
