## ***New French- Laundered Bull Denim Fabric!***

Ooh-la-la! We have taken our 9 oz. Cotton Bull Denim and done a special process washed finish that gives this fabric a super-soft hand and a fashionable slightly-faded look. This will work great with apparel and home décor end uses. Available in Naturel, Noir, Blanc, Rouge, Dijon, Marine, Jean Blue and Peche. If you are not up on your French color names, we will be happy to send you a sample card!
